Why a kayak race?

We at Lakeshore Kayak Rental would like to draw attention to the majestic Grand River and the vital role it plays in our community. Much of our economy is tourist based and our community would not be able to support nor prosper as it does without this abundant river. The Grand River feeds Lake Michigan, providing Salmon for the Charter fishermen, dinner on our tables, habitat for wildlife and an escape from life’s stresses through relaxation in a kayak, canoe or other form of water sport. We greatly appreciate your support and look forward to seeing you on race day!

Who is this race benefitting?

“Friends of Ottawa County Parks” This is a non profit organization that helps promote and maintain our county parks for our community. They also support and protect the Grand River Greenway and other venues in our community.

What is the Corporate 4 member team challenge? This is for any group of four friends, co-workers or family members who would like to compete as a team. This is a great opportunity to challenge a fellow company or friends, help a great cause and have a fantastic time all in one! Each racer will also be qualified for placing in their respective age division.

Professional photography?

ML Photography will be completing all photo’s. Photo’s will be available to purchase post race on website.

Facebook fan?

Please sign into our facebook event page and invite your friends and family members to the event!
